Action Plan – Year : 2022-23

IN – SERVICE TEACHERS TRAINING

Planning for Year 2022-23

PREFACE

National Education Policy-2020 recognized the need for enhancing the status of teachers. It emphasized the need for substantial improvement in their working conditions and the quality of teacher education. Teachers have Training on ‘Quality’. It is one of the major goals of integrated scheme on school education. By the rules of RTE teachers training are arranged with the intense of quality education.

Technology has decreased distance between centre and the time. Education is most necessary to stay and walk with time, and to accept the changes. The constitution and RTE has made education compulsory, free and all-round for the children aged between 6 to 14 years. This complete responsibility has been given to parents & teachers. Government is trying its best to provide quality full education in all around school able with complete facilities require in education, with help of different agencies.

The purpose of the training including provided by RTE –NCF-05 And Right to education, which is a fundamental point of our national fundamental. It will provide information to all the teachers as well as SMC and all other committee members, of all the level.

The purpose of training is also making the structure of curriculum better understandable. For that, we should know teacher's needs. We should also aware of the particular area, Research information and potential needs. The training of RTE-which is most important teaching also, should be training on NCF-05.

Programme and Activities of DIET Junagadh

The need of training is as per teacher's opinions, written feedback form, oral feedback and focus group discussion. For that, it is necessary to plan the structure for training, based on that opinions.

For that, Activity based training, exposure visit, computer, group work, and database, content enrichment and attitude making trainings are essential, need, for the better quality in education system.

The arrangement of the training will be held by DIET under the Right to Education Act 2009, in the academic year 2022-23. DIET has planned to conduct the programmes and activities in following kind of subject areas:

Training Subjects

- Awareness of FLN, NIPUN Bharat, NEP 2020 and SCF
